

## **Primary School Sports' Funding**

At Scott Wilkie, we recognise the contribution of PE to the health and well-being of the children. We believe that having access to high quality P.E and sport has a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School Sports' Funding will enable us to continue and extend our provision through maintaining our school sports partnership with Cumberland Secondary School. In addition to this we will use the funding to train our staff to deliver high-quality PE lessons, provide excellent sport based lunchtimes for the whole school, continue to enhance our extended school provision and employ a full-time Sports Coach.

### **What is the Sports Premium?**

The government is providing funding of £150 million per annum for the academic years 2013/14 and 2014/15 to provide new and substantial primary school sport.

The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children.

Each school will receive £8,000 plus an extra £5 per pupil each year for the next two years - here at Scott Wilkie that will mean just over £9,000 a year. The money can only be spent on sport and PE provision in schools.

### **What do we spend the funding on?**

<b>Primary PE Sport Grant Awarded £9,250.00</b> <b>Action :</b>
The delivery agreement is available on the website
Teacher training to ensure 'good' or better PE lessons.
Extended school sports and PE provision. <i>Please see Extended Club timetable on the website.</i>
Employment of a full-time Sports Coach
