Dear Parents/ Carers,

You are invited to a workshop with the Buy-in Speech and Language Therapist on Wednesday 1st November at 9am-10am.

A Speech and Language Therapist supports children in areas such as understanding language, using spoken language, using sounds, socially interacting, engaging in play and also showing attention and listening skills. Tara will be working this School year at Scott Wilkie every Wednesday.

In this session we will talk about how to enhance your child's language development through play. We will be discussing how to promote bilingual language development and also we will discuss what to do if you think your child has speech or language difficulties.

Please speak to the Jo Edwards, the school SENCO, if you have any questions regarding this session.

Yours faithfully,

Hannah Cleland
