

Scott Wilkie News

Message from Mrs Quayum

I want to start by saying a huge well done to our fantastic Year 6 who have worked hard towards the SATs tests which they completed last week. Their hard work and attitude to learning has made us all very proud. The results will come out in July and parents will receive them with the end of year reports. The final half-term, as always, is a very busy term starting with Science week the first week back. Miss Singh, our Science leader, has arranged exciting workshops for children across the school. Don't forget there is also a Dress Up as a Scientist/Inventor day on the Friday with prizes for the best costumes. We hope to see as many of you as possible at the Sports Days and of course the Scott Wilkie Carnival and Summer

House Points

The House Points totals to date are:

Morpurgo	Dahl	Donaldson	Rowling
3188	3030	2881	2812

Remember there are many ways that you can win house points to help your house become the 2017-18 House Cup Winner. Although Morpurgo are currently in the lead, this could all change next half-term.

Scott Wilkie Sports

On Wednesday 23rd May, the Scott Wilkie Slyding team won first place at the Newham Mini Games setting a new Newham record. Well done also to the swimming team for some of our strongest performances yet and to all the children who took part in The Newham Mini Games.

6W	97.3
6S	97.4
All	95.4

Lunch with the Mayor

Tyrone meets the Mayor of London

On Monday 14th May, Tyrone was invited to a very special lunch where he met Sadiq Khan, the Mayor of London. Tyrone has managed to achieve an amazing Grade 8 in two years of learning the Cello and has won a place in the Royal College of Music's Saturday Orchestra. Tyrone was asked to speak at the event and we have been told that he "wrote and delivered a wonderful, moving speech to a room full of very influential people including the Mayor of London. He was the only speaker of the day to receive a standing ovation." Well done Tyrone!
