

Scott Wilkie News

October 2017

Message from Mrs Quayum

It has been a very busy but productive first half term at Scott Wilkie. Thank you to all the parents, children and staff who completed questionnaires in the summer term. The Key Stage 1 boys toilets have been completely refurbished. As we had the kitchen works taking place over the summer, we were unable to get the works to the KS2 playground toilets done over the summer but this work will take place over the Christmas Holiday. We are continuing to address the issues with the front gate and repairs have been carried out to the buzzer and intercom and we will monitor the situation. The nursery will also have a new equipment installed over the half term which will help develop their gross motor skills. I hope you all have a lovely half term with your children next week.

School Kitchen Update

Unfortunately, the kitchen works did take longer than planned but we were pleased to see the kitchen reopened on Thursday 12th October. Francis and her team are enjoying serving the children hot meals again from their newly refurbished kitchen which included a super new dishwasher which should address some of the concerns

PE Kit

Please ensure your child's PE kit is in school on the days that they have PE. The PE kit should consist of plain navy tracksuit bottoms, a plain white t-shirt and trainers. If you have any questions about the PE kit please speak to your child's class teacher.

Communication

In response to feedback we have had from parents, we are going to add a section to the home page of the website which will include updates and reminders for example about trips and meetings. We are also going to trial a more regular newsletter. If you have an email address, please ensure that you let the office know as we are also hoping to email letters and newsletters to parents.

School Closed

School is closed next week (Monday 23rd October—Friday 27th October). School re-opens on Monday 30th October.

School is closed for INSET on Friday 17th November and Friday 24th November.

Attendance Winners

Well done to 1E, who with an attendance of 98.3%, are the class with the best attendance this half term.

Thank you to parents and children for helping to ensure our attendance currently is better than last year.
