

'Honour your history to create your future'
The fineness of grain and brightness of colour.

The AMT was founded in the knowledge that schools that work well together create even better schools for their staff and pupils.

The Agate Momentum Trust is driven to develop world class teachers who can become world class leaders.

The Agate Momentum Trust is looking to strengthen and extend its work whether you are already a good/outstanding school that wishes to collaborate or a school that strives to be great- we are interested in talking to you.

OUR PARTNERS
