20 January 2022

Ms K Edge
Head Teacher
Scott Wilkie Primary School

Dear Keri,

RE: Congratulations on your school attendance

I am writing to thank you and to congratulate you on reaching high attendance levels during the past week. We note a recorded daily attendance of 96.25%, which is quite exceptional and remarkable during this particular time recognising the impact of the pandemic.

I know how hard you and your staff are working to prioritise pupils' full attendance and continued access to high quality education experiences.

Thank you for the continued dedication and commitment shown by all to securing your pupils' continued success, and for governors' oversight of this by ensuring staff are well supported.

I wish you continued success this term, and invite you to share your success stories with me.

Yours sincerely

A handwritten signature in black ink, appearing to read "Anita Stewart".
